Dr _____ shows me the best way to brush my teeth.
Then, a polisher is used to shine my teeth so they sparkle brightly.

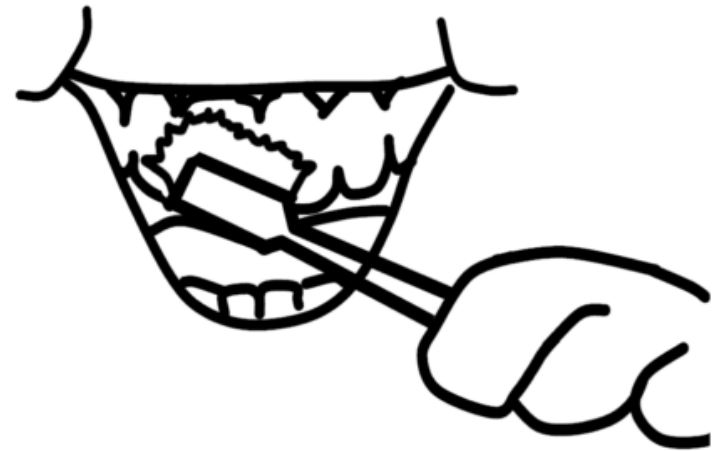

It is kind of like tickling my teeth! I even get to use a special slurpy straw that takes away the toothpaste.

Dr _____ looks at my sparkly clean teeth and counts them to make sure they are all there. A bright light is used so that my teeth can be seen in my dark mouth. I wear special glasses when my teeth are checked to protect my eyes. Dr Crookes even has a tiny little mirror that is used to look in my mouth. I like that mirror.
